

# We can help take the pressure off when it comes to **supporting your lymphedema patients**

The Lymphedema Treatment Act (LTA), **effective January 1, 2024, provides coverage of certain lymphedema compression treatment items under the Medicare program.** Our robust portfolio of compression treatment items means you can find the essentials you need for lymphedema care, backed by a reliable, nationwide distributor you can count on.

New opportunities for your business and better outcomes for your patients are on the way.  
**McKesson makes it easy to be ready.**

## What is the Lymphedema Treatment Act?

**The Lymphedema Treatment Act provides for Medicare coverage of lymphedema compression treatment items.** Specifically, the bill provides for coverage of (1) standard and custom fitted gradient compression garments that are prescribed by a physician or other specified healthcare professional to treat lymphedema, and (2) other devices determined to be effective in the prevention or treatment of lymphedema.

## What supplies are covered under the LTA?

Products and supplies covered (subject to applicable limits) under the LTA include:

- **Standard and custom fitted gradient compression garments**
- **Gradient compression wraps** with adjustable straps
- **Compression bandaging systems**
- **Accessories**, such as zippers in garments, liners worn under garments, wraps with adjustable straps, as well as padding or fillers that are necessary for the effective use of a gradient compression garment or wrap with adjustable straps
