

Get orders and gain confidence *with the best shipping in the business*

In our industry, there's no room for a missing shipment. Orders have to be on time, every time, in order for you to provide the best care for your patients. Nobody understands that more than we do — and nobody is better at it than we are. That's because we're willing to go to great lengths — far beyond the industry standard—to make sure your orders travel swiftly and smoothly. We believe that's what a good distributor should do.

You get more with McKesson

Our Priority status with UPS brings you multiple advantages, even during the holiday season when retail shipping shifts into overdrive. For you, Priority means:

Your packages are a priority in the UPS system to help your delivery arrive on time.

Your orders are closely monitored by a dedicated McKesson team at UPS.

Last-minute orders and orders delivered on weekends get the same expedited treatment.

You get more competitive rates than many other companies.

Bringing transparency to pricing

Shipping medical supplies can be complicated, and there are many factors that go into our rates, including:

On top of our pricing, UPS assigns other charges in certain scenarios, including:

- Deliveries with signatures required
- Delivery to remote or less accessible areas
- Oversize packages that need additional handling
- Packages returned to the DC
- Hazardous materials
- Intercepted deliveries
- Address corrections

Our promise to you

Timely delivery is important, but cost is too. We're committed to providing you with the superior service you expect at a competitive price, and we'll always go the extra mile to make sure that happens.

If you have any questions about our shipping services, please don't hesitate to contact your McKesson rep.
