## ***Advanced Wound Care Product Resource Guide***

The Product Resource Guide gives you a wide range of product options to help in the treatment of wounds, from trusted national brands to our own McKesson Brand items.

Conveniently divided by advanced wound care subcategories and suppliers, you'll see product descriptions, sizes and manufacturer item numbers that make finding the right products for care easier than ever.

***Get your Advanced Wound Care Product Resource Guide now***

# Product Resource Guide: Advanced Skin Care Product Portfolio

Help prevent the development of wounds by maintaining skin integrity. The Advanced Wound Care Product Resource Guide provides information to help you select the right products, from adhesive removers to skin cleansers including:

- Antifungals
- No sting liquid film skin protectors
- Adhesive removers
- Skin cleansers

### Advanced Skin Care Product Portfolio

Maintaining skin integrity is the first step in preventing wounds.

Our products are available in various units of measure - from single products to cases. Contact your McKesson Medical-Surgical Account Manager or check out [mms.mckesson.com](http://mms.mckesson.com) to order today.

#### Adhesive Removers

Adhesive removers are solvents formulated to dissolve adhesives and assist in removing dressings, skin protectors, tapes and any product that adheres to the skin.

3M™	PRODUCT DESCRIPTION	MFR #
20BX	Lotion Remover	8610

---

MCKESSON	PRODUCT DESCRIPTION	MFR #
50BX	Adhesive Remover Wipes	176-5729

---

SMITH & NEPHEW	PRODUCT DESCRIPTION	MFR #
50BX	UNI-SOLVE™ Adhesive Remover Wipes	402300

#### Antifungals

Antifungals are agents that are typically applied to the skin and are available in powder, cream, lotion or ointment form.

3M™	PRODUCT DESCRIPTION	MFR #
2 oz. Tube	Cavilon™ Antifungal Cream	3389
5 oz. Tube	Cavilon™ Antifungal Cream	3390

---

MCKESSON	PRODUCT DESCRIPTION	MFR #
3 oz.	Thera™ Antifungal Body Powder	53-AFP3
3 oz.	Thera™ Antifungal Body Cream	53-AFC4

---

SMITH & NEPHEW	PRODUCT DESCRIPTION	MFR #
3 ¼ oz. Tube	Antifungal SECURA™ Cream	59432900

#### Moisture-Wicking Fabric with Antimicrobial Silver

- Manages moisture, friction and bacterial or fungal organisms in skin folds<sup>1</sup>
  - The soft, knitted 100% polyester fabric wicks and translocates excess moisture, keeping the skin dry
  - The polyurethane coating reduces friction in skin folds
  - Ionic silver provides effective broad-spectrum antimicrobial action within the fabric for up to five days
- Manages the symptoms associated with intertrigo such as erythema, painful rash, denudement, satellite lesions and odor<sup>2</sup>

COLOPLAST	PRODUCT DESCRIPTION	MFR #
10' x 36"	InterDry® Packet	7912
10' x 144"	InterDry® Roll	7910

---

MCKESSON	PRODUCT DESCRIPTION	MFR #
10' x 144"	Moisture Wicking Fabric, Roll	16-1036S
10' x 36"	Moisture Wicking Fabric, Sheet	16-1036S

1. Vorbeck E. Evaluation of a Skin Fold Management Textile with Antimicrobial Silver Complex in a Variety of Case Studies.  
2. Freyberg J, et al. Moisture Management Challenges for the WOC Nurse presented at the WOCN Society 39th Annual Conference, June 2007.

# Advanced Wound Care Pocket Guide: Skin and Wound Assessment

Within the guide you will find valuable information to help your clinicians assess skin and wounds, including:

- Detailed descriptions of advanced skin conditions and advanced wounds
- Guidelines for assessing and documenting wounds and identifying a treatment plan
- Suggested actions for the care of advanced skin conditions and advanced wounds

Identifying a Treatment Plan

Inside you will find an algorithm on identifying a treatment plan and elements of wound assessment

```
graph TD; A[TREAT CAUSE & CONTRIBUTING FACTORS  
e.g., blood supply, pressure, friction, shear, edema, nutrition, incontinence, etc.] --> B[LOCAL WOUND CARE]; B --> C[DEBRIDEMENT  
Autolytic, Enzymatic, Mechanical]; B --> D[MANAGE BIOBURDEN  
Cleansing, Topical Antimicrobial Dressings, Antibiotics]; B --> E[MANAGE EDEMA  
Multi-Layer Compression Bandaging Systems, Unna Boots]; C --> F[MOISTURE BALANCE]; D --> F; E --> F; F --> G[MINIMAL DRAINAGE

### Moisture Wicking Fabric with Silver

The McKesson moisture wicking fabric with silver (Ag) is specially designed to manage moisture and odor in skin folds and other skin-to-skin contact areas. A knitted polyester tricot, dressing with silver complex, the fabric provides effective antimicrobial action for up to five days depending on fabric soiling and the amount of moisture. It wicks and translocates moisture to keep skin dry while providing a friction-reducing surface. McKesson moisture wicking fabric with silver (Ag) has a 2-year shelf life and is available in sheet and roll formats.

#### Features and Benefits

- Manage the complications associated with skin folds and other skin-to-skin and skin-to-device contact locations
- Help prevent colonization of bacteria and yeasts such as staphylococcus aureus, staphylococcus epidermidis, pseudomonas aeruginosa and candida albicans
- Polyurethane coating reduces friction in skin folds
- Antimicrobial silver helps provide odor control
- Wicks and translocates moisture to help keep skin dry
- Can be used under mobilizers, in critical care settings, and beneath blood pressure cuffs, traces, and wires
- Frequently used in skin-to-skin contact areas, including between toes, in lower extremities, on the upper leg, groin, between fingers, abdomen, back, under breasts, axilla and neck
- Not made with natural rubber latex

MPN #	DESCRIPTION	SIZE
16-10144R	Moisture Wicking Fabric with Silver, Roll	10 in x 144 in
16-1036S	Moisture Wicking Fabric with Silver, Sheet	10 in x 36 in

**Satisfaction Guaranteed**  
If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit.

**Never Compromise on Care™**  
With McKesson Brands, you'll never have to compromise on quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and work to help ensure you have the products you need making it even easier for you to provide the best care for your patients.

## 3M + KCI

### United To Transform Outcomes

KCI is now part of 3M! We are focused on best meeting your needs and helping you achieve your objectives and targeted patient outcomes. Here's how.

It is our commitment to support your needs through even more comprehensive solutions.

#### Solutions and Products

Leveraging benefits across the care continuum.

**Improving patient outcomes through:**

- Surgical incision management
- Central sterilization
- Vascular access and securement
- Advanced wound care

**Helping reduce the risk of complications such as:**

- Bloodstream infections (BSI)
- Catheter and tube dislodgements
- Hypothermia
- Medical adhesive-related injuries
- Moisture-associated skin damage
- Pressure ulcer/injury (PU/PI)
- Sterilization monitoring variation
- Surgical site infections (SSI)

## Mölnlycke®

We offer kits to help you manage your wicking needs.

### McKesson

### Hydrophilic Foam Dressing with PHMB

McKesson's hydrophilic foam dressing with PHMB is a sterile wound dressing which provides a moist wound healing environment. This absorbent dressing is designed for moderately to heavily exuding wounds. McKesson's hydrophilic-foam dressing is semi-occlusive, allowing the exchange of gases such as oxygen and water vapor. The dressing is laminated to a pink, low friction, waterproof polyurethane film which provides a bacterial barrier to the wound. The wound contact layer side of the dressing has a clear perforated film which protects the wound bed from adhering to the dressing. The perforations in the wound contact layer allow the uptake of exudate.

#### Features and Benefits

- Provides fast-wicking action
- Superior aeration
- Excellent absorbency
- Promotes healing through a moist wound environment
- Helps prevent recolonization
- Reduces the risk of maceration
- Conformable
- Waterproof and bacterial barrier
- PHMB kills and inhibits the growth of bacteria
- Not made with natural rubber latex

**Satisfaction Guaranteed**  
If you are not completely satisfied with any McKesson Brands product, you may return it for a full refund or credit within 90 days from the purchase date. McKesson Brands' satisfaction guarantee is limited to products purchased directly from McKesson. If a McKesson Brands product is not purchased directly from McKesson, any return request or request for refund must be directed to the selling party.

**Never Compromise on Care™**  
With McKesson Brands, you'll never have to compromise. We deliver quality products at competitive prices, backed by our 100% satisfaction guarantee. We have decades of experience in the market, and we offer you support and work to help ensure you have the products you need, when you need them—making it even easier for you to provide the best care for your patients.

### Is ALLEVYN® LIFE right for your patient?

ALLEVYN® LIFE can help a variety of your most independent patients. This closed incision product is designed to help reduce the risk of bloodstream infections (BSI) by providing a barrier to bacteria and moisture. It is also designed to help reduce the risk of surgical site infections (SSI) by providing a barrier to bacteria and moisture. ALLEVYN® LIFE is available in a variety of sizes and configurations to meet your needs.

After assessing the need for the following independent patients, identify which of your patients could benefit from the ALLEVYN® LIFE for one more day.

- Consider the following inclusion or exclusion criteria:
  - Do they have an active wound?
  - Do they have low to moderate exudate?
  - Are they engaged in their own care?
  - Are they able to lift their own body weight?
  - Are they able to walk independently?
- Exclusion criteria:
  - Do they have a wound that is not a surgical incision?
  - Do they have a wound that is not a surgical incision?
  - Do they have a wound that is not a surgical incision?
  - Do they have a wound that is not a surgical incision?
  - Do they have a wound that is not a surgical incision?
- Get your patient their ALLEVYN® LIFE dressing order.
- Write your details in your practice's order manual or they can contact you.

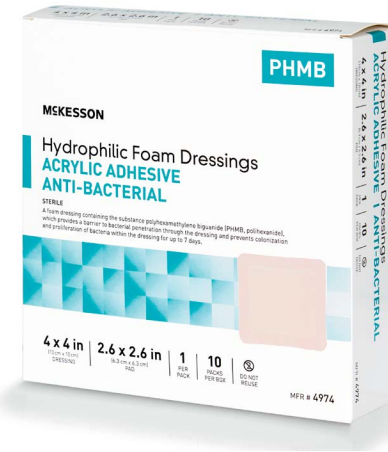

**ALLEVYN® LIFE for one more day**  
A patient identifier for healthcare professionals.
