

McKesson SupplyManagerSM Introducing Autopay

Save time and increase efficiency with McKesson Autopay. Every minute counts when it comes to running your business and caring for your patients. Designed with your convenience in mind, **Autopay gives you time back with just a few clicks!**

1 From the McKesson SupplyManager homepage, enter the Payment Portal by clicking **“Make a Payment”**. On the next page, select **“Sign Up Today”** in the upper right hand corner.

2 Follow the prompts to enter your information in the required fields:

- Select your type of payment and your preferred payment frequency under **“Autopay Settings”**
- Add your account name and payment information
- Read and agree to the terms
- Click the **“Sign Up”** button to complete the process

3 Once your setup is complete, the **“Autopay Settings”** button will display in the Payment Portal and at checkout.
