

McKesson SupplyManagerSM Lets You **Leave Your Shopping Cart...And Come Back Later!**

Sometimes when you place orders online, you may have to step away. What happens to the items already in your cart?

McKesson SupplyManager allows you to **“Save”** your cart, letting you save cart contents and add to or submit the order later. Just select **“Save Cart.”** If your cart times out before you submit an order, SupplyManager automatically saves it for you.

To retrieve your saved cart, find **“Saved Carts”** on the bottom right of your homepage and click **“View All.”**

You can recover your cart by clicking on the cart number. You also have the option to merge or delete carts to the left.
