

Essential vaccines **for patient protection**

Your comprehensive solution

Delivering the solution for your vaccine needs.

Now more than ever, vaccines are critical to ensure your patients and community are protected. But managing vaccines from multiple vendors can be time-consuming and expensive.

At McKesson Medical-Surgical, our comprehensive solution makes ordering and storing vaccines simple, so you can spend more time on what matters — your patients.

Streamlined ordering and inventory management

- Simple online ordering and invoicing
- Access to eligible group purchasing organization and manufacturer contracts
- Tools that improve purchasing patterns and uncover standardization opportunities
- Distribution that meets FDA requirements for cold chain and serialization
- TruMed AccuVax® — a combination inventory management software and refrigerator

Flexible and reliable delivery solutions

- Next-day delivery to physician office locations and suites
- Expanded 6-month return policy
- No minimum order requirements
- Nationwide fleet of dedicated delivery professionals and vehicles

Dedicated vaccine support and education

- Knowledgeable vaccine team
- Dedicated account manager and fast, responsive customer service
- Access to informative educational materials
- Assistance with managing vaccine contracts

From young to old, we're your one-stop shop

McKesson offers more than 80 core vaccines so you can provide quality clinical care to patients.
